

AP SPANISH IV

- **Course Description:**

This is an advanced level IV Spanish class that prepares the students for the Spanish language AP Exam in May. The class is taught in Spanish.
- **Course Expectations:**

The focus of the class will be for the students to review grammar, acquire vocabulary and to improve their listening, reading, writing and speaking abilities. The textbook “Conexiones” will be used to expose the students to a variety of communicative opportunities, literary and cultural works, art, music and film. Students will be expected to work independently from the grammar review textbook “Repaso” also.
- **Beyond the general education course:**

The course includes additional homework in the grammar review book as well as preparation for the AP Exam via a variety of listening, reading, grammar, speaking and writing activities. This grammar review and AP preparation are in addition to the regular Spanish IV curriculum.
- **Other:**

Students interested in taking AP Spanish IV should be prepared to work independently and be graded on speaking Spanish exclusively. Maturity and responsibility are requirements for success in this class.
