

HIGH SCHOOL PLANNING NIGHT

RESOURCES FOR STUDENTS AND THEIR FAMILIES

All the info presented at planning night is available online. Check the sources listed below for more information!

NOTE: Your sophomore & junior students will register on their own time via Student Access this year – please check in to make sure they've done so prior to 7am on Mon, Feb 9th. In addition to registering online, they must bring their signed paper registration and demographic forms into their Social Studies classes next week.

Course Description Guide

The Course Description Guide is available online. Visit the IHS homepage (www.ihs.issaquah.wednet.edu) and click on the 2009-2010 Course Guide link that appears below the calendar area. It is also viewable on the IHS counseling website.

High School Planning Night Presentation Notes

The power point presentation shown tonight is published on our website. To find it, go to www.ihs.issaquah.wednet.edu and click on Counseling and Student Services in the menu on the left. Then click on the icon that says High School Planning Night.

ISD Website

The Issaquah School District has also worked to provide information online about graduation requirements. To get to this valuable resource, go to www.issaquah.wednet.edu and click on Academics on the top menu bar and then scroll down to Graduation Requirements. You'll find info about the online health class at: <http://www.issaquah.wednet.edu/district/onlinecourses/health/>

College Resource Handbook

This is a complete guide with information about any topic related to college including choosing a school, applying, admission, scholarships, financial aid, etc. This resource is given to all seniors and is available on the Career Center web page on the IHS website.

Please see the detailed list below to find more information on specific topics.
